

## 2022 FARM SHARE

Our farm shares provide a diverse selection of seasonal vegetables to our members every week. Our last share of the season is a heavy share that includes extra storage items such as potatoes and winter squash that will allow our members to continue to eat locally even after the growing season is over. All of our produce is grown by us.

**When:** Our summer season is 19 weeks long starting the week of May 26 and running until the week of October 6. We will be taking one week for family vacation (because kids grow faster than weeds) June 19-25 during which time there will not be a share box (don't worry, it's not one of the 19 weeks).

**Where:** Our farm shares can be picked up at our market booth in Whitefish on Tuesdays 5-7p or at our farm location on Fox Farm Lane in Kalispell (9 minutes from Costco) on Thursdays 4-7p.

**Share Type:** We offer a full share at a cost of \$500. The weekly box will contain 8-10 items that will vary based on what is in season. Example box: ½ pound Spinach, 1 pint Cherry Tomatoes, 1 bunch Beets, 1 head Napa Cabbage, 1 bunch Chard, 3 Cucumbers, ¾ pound Snow Peas, 1 bunch Carrots, and 2 Kohlrabi.

**Vacation/missed pickups:** If you are unable to pick up your share for any given week, please ask a friend to pick it up for you. We would also be happy to donate your share that week to the Food Bank if that is more convenient. If you have a preplanned vacation during the market season, we can prorate your share price. Dates must be chosen and confirmed with us prior to the start of the season. We do not offer a refund or make up for missed pickups.

**Growing Practices:** We often get asked if we are organic. Short answer... it depends on who you ask. We are NOT certified organic. We do, however, grow using sustainable, organic, and regenerative practices. This means that we do not use inorganic ("chemical") fertilizers and instead build soil and fertility using compost, manure, cover crops, and natural soil amendments. It also means that we use natural methods to combat weeds and pests.

Thanks for joining us!

To sign up, please fill out this form and mail with a check to Snow Country Gardens.
